I. PURPOSE AND BILL SUMMARY

The purpose of H.R. 5178, the “Puerto Rico Small Business Contracting Assistance Act of 2018,” is to help small Puerto Rican

firms secure opportunities in the federal marketplace as a tool to assist in the rebuilding and revitalization of Puerto Rico's economy.

H.R. 5178 grants agencies the ability to double the value of the contract awarded to Puerto Rican small business concerns for purposes of meeting the small business prime contracting goals for a duration of four years after enactment of the legislation. To ensure transparency, there is a reporting requirement to track the number and amount of contracts awarded to Puerto Rican firms. This bill also allows the government to transfer surplus property to small businesses with its principal office in Puerto Rico. Upon enactment of this legislation, the Small Business Administration (SBA) will develop incentives for large prime contractors that mentor small businesses located in Puerto Rico in the SBA's Mentor-Protégé program who award said protégé a subcontract. These incentives include awarding credit towards the subcontracting goals of the large prime contractor equivalent to the costs incurred for providing training to covered protégés, and a credit toward past performance ratings of the mentor in the awarding of a subcontract to a protégé. The bill will also allow large businesses to enter into two additional SBA Mentor-Protégé agreements in addition to the statutory cap of three protégés, only if the protégé small businesses are located in Puerto Rico. All aspects of the bill, except for the first provision which expires four years after enactment, are only valid during the existence of the Puerto Rico Oversight, Management, and Economic Stability Act (PROMESA) Control Board, and will expire upon the Board's termination.

II. BACKGROUND AND NEED FOR LEGISLATION

H.R. 5178 was introduced by Rep. Nydia Velázquez (D-NY) on March 6, 2018. Background on each of these provisions will be provided along with an explanation of the need for legislation.

A. SMALL BUSINESS CREDIT FOR PUERTO RICAN BUSINESSES

Because small businesses are responsible for the majority of the job creation and technical innovations in the United States, Congress and the president have shown great interest in encouraging the growth and health of small businesses throughout the American economy. One of the most direct ways the government can encourage and nurture small businesses is through federal contracts.

The federal government generally awards contracts to the lowest qualified responsible offeror and has a system of setting goals for certified small business concerns receiving federal contracts. These goals are to be met by agencies in all practicable manner. At the end of each fiscal year, an official goaling report is presented to Congress to ensure small businesses are adequately participating in the federal marketplace and agencies are meeting baseline target goals set by the SBA in collaboration with the agency.

There currently exists a relatively small number of federal contracts that are performed in Puerto Rico. Additionally, of the small number of federal contracts that are performed in Puerto Rico, a substantial percentage of those contracts—about 40 percent—are performed by firms outside of Puerto Rico. In fact, the total awards to Puerto Rican small businesses declined from about \$426 million in FY 2014 to about \$342 million in FY 2015. The Annual Review

ranks all 56 U.S. jurisdictions—the 50 states, the District of Columbia, and the five territories—by federal contracting dollars awarded. Puerto Rico ranks 50 of 56, with a total of \$430.6 million—that is, \$307 million in defense contracts and \$123.6 million in civilian contracts. The six jurisdictions that fall below Puerto Rico—Delaware, Vermont, Wyoming, the U.S. Virgin Islands, the Northern Mariana Islands, and American Samoa—each have a far smaller population than Puerto Rico.

This section will grant agencies the ability to double the value of the contract awarded to Puerto Rico small business concerns for purposes of meeting the small business prime contracting goal. This attempts to incentivize agencies to award a greater number of contracts with greater dollar values to small firms located in Puerto Rico. This doubled value will last for a duration of four years after enactment of the legislation. This section also requires a report to Congress on the number and dollar amount of prime contracts awarded to Puerto Rican small businesses for each fiscal year, to ensure maximum transparency regarding the actual dollar amounts of the contracts being awarded to these small firms.

B. SURPLUS PROPERTY TRANSFERS FOR PUERTO RICAN SMALL BUSINESSES

If a federal agency no longer has a need for personal property, it declares the property excess property, and the property is then made available to all other federal agencies. If no federal agency claims the excess property within a certain period of time, it is declared surplus property.

One program utilizing this surplus property is the General Services Agency (GSA) Federal Surplus Personal Property Donation Program, which enables certain nonfederal organizations to obtain personal property that the federal government no longer needs. Surplus personal property includes all types and categories of personal property except land or other real property; certain naval vessels; and records of the federal government. Under present law, the transfer of property is allowable for small businesses participating in the 8(a) Business Development program and those located in federally declared disaster areas.

This section allows the government to transfer surplus property to small businesses with its principal office in Puerto Rico for the duration of the PROMESA Control Board. Cost avoidance and savings for all types of personal property will enable these businesses to allocate the money for other purposes or hire additional personnel. The section will allow businesses to acquire much needed equipment and supplies at a low cost and low risk value. Quality used and new equipment of all types would be available to these firms, such as vehicles, computers, office equipment, food service equipment and heavy construction equipment.

C. CONTRACTING INCENTIVES FOR MENTORS CHOOSING PROTÉGÉ FIRMS THAT ARE PUERTO RICAN SMALL BUSINESSES

A mentor-protégé program is an arrangement in which mentors—businesses, typically experienced prime contractors—provide technical, managerial, and other business development assistance to eligible small businesses, or protégés. As part of the process, mentors and protégés are required to jointly develop a tailored de-

developmental assistance plan. The mentor-protégé agreement authorizes a broad array of developmental assistance, such as: (a) training in the areas of production, quality control, manufacturing, engineering, and computer hardware and software; (b) assistance in obtaining production and accounting certifications needed to work on large federal government contracts; (c) contract administration; and (d) overall general business management skills and organizational management. Additionally, some agencies' programs allow mentors to provide loans and can award subcontracts on a noncompetitive basis. The programs often provide incentives for mentor participation, such as credit toward subcontracting goals, additional evaluation points toward the awarding of contracts, an annual award to the mentor providing the most effective developmental support to a protégé, and in some cases, cost reimbursement. Overall, mentor-protégé programs seek to enhance the ability of small businesses to compete more successfully for federal government contracts by furnishing them with assistance to improve their performance.

This section allows SBA to develop incentives for large prime contractors that mentor Puerto Rican small businesses through the SBA's Mentor-Protégé program to award these protégés a subcontract. Incentives include allowing a credit toward past performance ratings in the awarding of a subcontract to a covered protégé, and credit towards the mentor's subcontracting goals for costs incurred equivalent to the cost incurred by the mentor in providing training to covered protégés. The incentives will only be applicable for Mentor-Protégé agreements that are entered into, and applicable subcontract awards made, during the existence of the PROMESA Control Board.

D. ADDITIONAL MENTOR-PROTÉGÉ RELATIONSHIPS FOR PROTÉGÉ FIRMS THAT ARE PUERTO RICAN SMALL BUSINESSES

The mentor-protégé programs at the various federal agencies serve as a useful tool to help small businesses compete in the federal marketplace, ultimately enabling many of them to succeed on their own. By incentivizing more companies to act as mentors to Puerto Rican small businesses, the possibilities of increasing awards to the island are limitless. The experience brought by larger firms, already serving as primes on contracts, assists small firms in Puerto Rico at no cost to the taxpayer. It enables them to receive additional assistance through firms, either on the mainland or on the island, that have a proven track record of success in the federal marketplace.

This section allows large businesses to enter into two additional SBA Mentor-Protégé agreements only if the protégé small businesses are located in Puerto Rico. Under present law, there is a limit of three mentor-protégé agreements a large business can enter into through the program. This would allow a large business to potentially have up to five protégés. The allowance will only be applicable for Mentor-Protégé agreements that are entered into during the existence of the PROMESA Control Board.

III. HEARINGS

In the 115th Congress, the Committee held one hearing examining the issues covered in H.R. 5178. On July 13, 2017, the Committee on Small Business Subcommittee on Contracting and Workforce and the Subcommittee on Economic Growth, Tax, and Capital Access met for a joint hearing titled “The Puerto Rico Oversight, Management, and Economic Stability Act: State of Small Business Contracting.” This hearing was based on a report published by the Government Accountability Office (GAO). Witnesses included an expert from the GAO as well as the SBA Associate Administrator for the Office of Government Contracting and Business Development. The hearing focused on the report findings, specifically examining the application and utilization of the Small Business Administration’s federal contracting preference programs in Puerto Rico, as well as stakeholder views on the challenges Puerto Rican small businesses face in obtaining federal contracting opportunities and steps SBA has taken to promote small business participation in its programs.

IV. COMMITTEE CONSIDERATION

VI. SECTION-BY-SECTION ANALYSIS OF H.R. 5178

Section 1. Short title

This section designates the short title as the “Puerto Rico Small Business Contracting Assistance Act of 2018.”

Section 2. Definition of a Puerto Rico business

This section adds to the Small Business Act a definition of a “Puerto Rico business” to mean a small business concern with its principal office located in the Commonwealth of Puerto Rico.

Section 3. Small business credit for Puerto Rico businesses

This section will grant agencies the ability to double the value of the contract awarded to a Puerto Rico small business concern for purposes of the small business prime contracting goal. This double value will last only for a maximum of four years after enactment of the legislation, or as long as the PROMESA control board exists, whichever occurs first. This section also requires a report to Congress on the number and dollar amount of prime contracts awarded to Puerto Rican small businesses for each fiscal year.

Section 4. Priority for surplus property transfers

This section allows the government to transfer surplus property to small businesses with its principal office in Puerto Rico for the duration of the PROMESA Control Board. The transfer of property is currently allowable for small businesses participating in the 8(a) Business Development program and those located in federally declared disaster areas. The participation will only be allowed during the existence of the PROMESA Control Board.

Section 5. Contracting incentives for Protégé Firms that are Puerto Rico businesses

This section allows SBA to grant incentives of a credit toward past performance ratings in the awarding of a contract for large prime contractors that mentor small businesses located in Puerto Rico in the SBA’s Mentor-Protégé program who award said protégé a subcontract. It also allows credit toward subcontracting goals for costs incurred for providing training to covered protégés. The incentives will only be applicable for Mentor-Protégé agreements that are entered into during the existence of the PROMESA Control Board.

Section 6. Additional Mentor-Protégé relationships for Protégé Firms that are Puerto Rico businesses

This section would allow large businesses to enter into two (2) additional SBA Mentor-Protégé agreements only if the protégé small businesses are located in Puerto Rico. The Mentor-Protégé program is designed to provide various forms of business development assistance to small businesses in order to enhance the capability of the participants to be competitive in the federal marketplace. Currently there is a limit of three (3) mentor-protégé agreements a large business can enter into through the program; this section would allow a large business to potentially have up to five (5) protégés. The allowance will only be applicable for Mentor-

Protégé agreements that are entered into during the existence of the PROMESA Control Board.

VII. CONGRESSIONAL BUDGET OFFICE COST ESTIMATE

At the time H.R. 5178 was reported to the House, the Congressional Budget Office had not provided a cost estimate.

VIII. UNFUNDED MANDATES

H.R. 5178 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act, Public Law No. 104-4, and would impose no costs on state, local, or tribal governments.

IX. NEW BUDGET AUTHORITY, ENTITLEMENT AUTHORITY, AND TAX EXPENDITURES

In compliance with clause 3(c)(2) of rule XIII of the Rules of the House, the Committee provides the following opinion and estimate with respect to new budget authority, entitlement authority, and tax expenditures. While the Committee has not received an estimate of new budget authority contained in the cost estimate prepared by the Director of the Congressional Budget Office pursuant to § 402 of the Congressional Budget Act of 1974, the Committee does not believe that there will be any additional costs attributable to this legislation. H.R. 5178 does not direct new spending, but instead reallocates funding independently authorized and appropriated.

(1) **IN GENERAL.**—For the purposes of this Act, a small-business concern, including but not limited to enterprises that are engaged in the business of production of food and fiber, ranching and raising of livestock, aquaculture, and all other farming and agricultural related industries, shall be deemed to be one which is independently owned and operated and which is not dominant in its field of operation.

(2) ESTABLISHMENT OF SIZE STANDARDS.—

(A) IN GENERAL.—In addition to the criteria specified in paragraph (1), the Administrator may specify detailed definitions or standards by which a business concern may be determined to be a small business concern for the purposes of this Act or any other Act.

(B) ADDITIONAL CRITERIA.—The standards described in paragraph (1) may utilize number of employees, dollar volume of business, net worth, net income, a combination thereof, or other appropriate factors.

(C) REQUIREMENTS.—Unless specifically authorized by statute, no Federal department or agency may prescribe a size standard for categorizing a business concern as a small business concern, unless such proposed size standard—

(i) is proposed after an opportunity for public notice and comment;

(ii) provides for determining—

(I) the size of a manufacturing concern as measured by the manufacturing concern's average employment based upon employment during each of the manufacturing concern's pay periods for the preceding 12 months;

(II) the size of a business concern providing services on the basis of the annual average gross receipts of the business concern over a period of not less than 3 years;

(III) the size of other business concerns on the basis of data over a period of not less than 3 years; or

(IV) other appropriate factors; and

(iii) is approved by the Administrator.

(3) VARIATION BY INDUSTRY AND CONSIDERATION OF OTHER FACTORS.—When establishing or approving any size standard pursuant to paragraph (2), the Administrator shall ensure that the size standard varies from industry to industry to the extent necessary to reflect the differing characteristics of the various industries and consider other factors deemed to be relevant by the Administrator.

(4) EXCLUSION OF CERTAIN SECURITY EXPENSES FROM CONSIDERATION FOR PURPOSE OF SMALL BUSINESS SIZE STANDARDS.—

(A) DETERMINATION REQUIRED.—Not later than 30 days after the date of enactment of this paragraph, the Administrator shall review the application of size standards established pursuant to paragraph (2) to small business concerns that are performing contracts in qualified areas and determine whether it would be fair and appropriate to exclude from consideration in the average annual gross receipts of such small business concerns any payments made to such small business concerns by Federal agencies to reimburse such small business concerns for the cost of subcontracts entered for the sole purpose of providing security services in a qualified area.

(B) ACTION REQUIRED.—Not later than 60 days after the date of enactment of this paragraph, the Administrator shall either—

(i) initiate an adjustment to the size standards, as described in subparagraph (A), if the Administrator determines that such an adjustment would be fair and appropriate; or

(C) QUALIFIED AREAS.—In this paragraph, the term “qualified area” means—

(i) Iraq,

(ii) Afghanistan, and

(iii) any foreign country which included a combat zone, as that term is defined in section 112(c)(2) of the Internal Revenue Code of 1986, at the time of performance of the relevant Federal contract or subcontract.

(A) a detailed description of the industry for which the new size standard is proposed;

(B) an analysis of the competitive environment for that industry;

(C) the approach the Administrator used to develop the proposed standard including the source of all data used to develop the proposed rule making; and

(D) the anticipated effect of the proposed rulemaking on the industry, including the number of concerns not currently considered small that would be considered small under the proposed rule making and the number of con-

cerns currently considered small that would be deemed other than small under the proposed rulemaking.

(7) COMMON SIZE STANDARDS.—In carrying out this subsection, the Administrator may establish or approve a single size standard for a grouping of 4-digit North American Industry Classification System codes only if the Administrator makes publicly available, not later than the date on which such size standard is established or approved, a justification demonstrating that such size standard is appropriate for each individual industry classification included in the grouping.

(8) NUMBER OF SIZE STANDARDS.—The Administrator shall not limit the number of size standards established pursuant to paragraph (2), and shall assign the appropriate size standard to each North American Industry Classification System Code.

(9) PETITIONS FOR RECONSIDERATION OF SIZE STANDARDS.—

(A) IN GENERAL.—A person may file a petition for reconsideration with the Office of Hearings and Appeals (as established under section 5(i)) of a size standard revised, modified, or established by the Administrator pursuant to this subsection.

(B) TIME LIMIT.—A person filing a petition for reconsideration described in subparagraph (A) shall file such petition not later than 30 days after the publication in the Federal Register of the notice of final rule to revise, modify, or establish size standards described in paragraph (6).

(C) PROCESS FOR AGENCY REVIEW.—The Office of Hearings and Appeals shall use the same process it uses to decide challenges to the size of a small business concern to decide a petition for review pursuant to this paragraph.

(D) JUDICIAL REVIEW.—The publication of a final rule in the Federal Register described in subparagraph (B) shall be considered final agency action for purposes of seeking judicial review. Filing a petition for reconsideration under subparagraph (A) shall not be a condition precedent to judicial review of any such size standard.

(E) RULES OR GUIDANCE.—The Office of Hearings and Appeals shall begin accepting petitions for reconsideration described in subparagraph (A) after the date on which the Administration issues a rule or other guidance implementing this paragraph. Notwithstanding the provisions of subparagraph (B), petitions for reconsideration of size standards revised, modified, or established in a Federal Register final rule published between November 25, 2015, and the effective date of such rule or other guidance shall be considered timely if filed within 30 days of such effective date.

(12)(A) The Administration may provide loans under this subsection to assist any small business concern, including start up, to enable such concern to design architecturally or engi-

(D) MARKETING.—The Administrator shall aggressively market its export financing program to small businesses.

(15)(A) The Administration may guarantee loans under this subsection to qualified employee trusts with respect to a small business concern for the purpose of purchasing stock of the concern under a plan approved by the Administrator which, when carried out, results in the qualified employee trust owning at least 51 per centum of the stock of the concern.

(B) The plan requiring the Administrator's approval under subparagraph (A) shall be submitted to the Administration by the trustee of such trust with its application for the guarantee. Such plan shall include an agreement with the Administrator

(16) INTERNATIONAL TRADE.—

(A) IN GENERAL.—If the Administrator determines that a loan guaranteed under this subsection will allow an eligible small business concern that is engaged in or adversely affected by international trade to improve its competitive position, the Administrator may make such loan to assist such concern—

(D) ADVERSELY AFFECTED BY INTERNATIONAL TRADE.—For purposes of this paragraph, a small business concern is adversely affected by international trade if, as determined by the Administrator, the small business concern—

(F) LIST OF EXPORT FINANCE LENDERS.—

(i) PUBLICATION OF LIST REQUIRED.—The Administrator shall publish an annual list of the banks and participating lending institutions that, during the 1-year period ending on the date of publication of the list, have made loans guaranteed by the Administration under—

(19)(A) In addition to the Preferred Lenders Program authorized by the proviso in section 5(b)(7), the Administration is authorized to establish a Certified Lenders Program for lenders who establish their knowledge of Administration laws and regulations concerning the guaranteed loan program and their proficiency in program requirements. The designation of a lender as a certified lender shall be suspended or revoked at any time that the Administration determines that the lender is not adhering to its rules and regulations or that the loss experience of the lender is excessive as compared to other lenders, but such suspension or revocation shall not affect any outstanding guarantee.

(B) In order to encourage all lending institutions and other entities making loans authorized under this subsection to provide loans of \$50,000 or less in guarantees to eligible small business loan applicants, the Administration shall develop and allow participating lenders to solely utilize a uniform and simplified loan form for such loans.

(C) Authority to liquidate loans.—

(i) IN GENERAL.—The Administrator may permit lenders participating in the Certified Lenders Program to liquidate loans made with a guarantee from the Administration pursuant to a liquidation plan approved by the Administrator.

(ii) Automatic approval.—If the Administrator does not approve or deny a request for approval of a liquidation plan within 10 business days of the date on which the request is made (or with respect to any routine liquidation activity under such a plan, within 5 business days) such request shall be deemed to be approved.

(20)(A) The Administration is empowered to make loans either directly or in cooperation with banks or other financial institutions through agreements to participate on an immediate or deferred (guaranteed) basis to small business concerns eligible for assistance under subsection (j)(10) and section 8(a). Such assistance may be provided only if the Administration determines that—

(i) the type and amount of such assistance requested by such concern is not otherwise available on reasonable terms from other sources;

(ii) with such assistance such concern has a reasonable prospect for operating soundly and profitably within a reasonable period of time;

(iii) the proceeds of such assistance will be used within a reasonable time for plant construction, conversion, or expansion, including the acquisition of equipment, facilities, machinery, supplies, or material or to supply such concern with working capital to be used in the manufacture of articles, equipment, supplies, or material for defense or civilian production or as may be necessary to insure a well-balanced national economy; and

(iv) such assistance is of such sound value as reasonably to assure that the terms under which it is provided will not be breached by the small business concern.

(B)(i) No loan shall be made under this paragraph if the total amount outstanding and committed (by participation or otherwise) to the borrower would exceed \$750,000.

(ii) Subject to the provisions of clause (i), in agreements to participate in loans on a deferred (guaranteed) basis, participation by the Administration shall be not less than 85 per centum of the balance of the financing outstanding at the time of disbursement.

(iii) The rate of interest on financings made on a deferred (guaranteed) basis shall be legal and reasonable.

(iv) Financings made pursuant to this paragraph shall be subject to the following limitations:

(I) No immediate participation may be purchased unless it is shown that a deferred participation is not available.

(II) No direct financing may be made unless it is shown that a participation is unavailable.

(ii) to a qualified individual or a veteran seeking to establish (or acquire) and operate a small business concern.

(B) Recognizing that greater risk may be associated with a loan to a small business concern described in subparagraph (A)(i), any reasonable doubts concerning the firm's proposed business plan for transition to nondefense-related markets shall be resolved in favor of the loan applicant when making any determination regarding the sound value of the proposed loan in accordance with paragraph (6).

(C) Loans pursuant to this paragraph shall be authorized in such amounts as provided in advance in appropriation Acts for the purposes of loans under this paragraph.

(D) For purposes of this paragraph a qualified individual is—

(i) the Administration shall first consider reducing fees paid by small business borrowers under clauses (i) through (iii) of paragraph (18)(A), to the maximum extent possible; and

(ii) fees paid by small business borrowers shall not be increased above the levels in effect on the date of enactment of this subparagraph.

Not later than 90 days after the date of enactment of this subsection, the Administrator shall promulgate regulations defining the experience necessary for participation as a lender in the low documentation loan program.

(26) CALCULATION OF SUBSIDY RATE.—All fees, interest, and profits received and retained by the Administration under this subsection shall be included in the calculations made by the Director of the Office of Management and Budget to offset the cost (as that term is defined in section 502 of the Federal Credit Reform Act of 1990) to the Administration of purchasing and guaranteeing loans under this Act.

Not later than 30 days after the date of receipt of such certification by a Governor of a State, the Administration shall respond in writing to that Governor on its determination and the reasons therefore, and may then make such loans as would have been available under this paragraph if a disaster declaration had been issued.

(C) A small business concern described in subparagraph (B) shall be eligible to apply for assistance under this paragraph during the period beginning on the date on which the essential employee is ordered to active duty and ending on the date that is 1 year after the date on which such essential employee is discharged or released from active duty. The Administrator may, when appropriate (as determined by the Administrator), extend the ending date specified in the preceding sentence by not more than 1 year.

(D) Any loan or guarantee extended pursuant to this paragraph shall be made at the same interest rate as economic injury loans under paragraph (2).

(cc) that relies on a provider located in the disaster area for a service that is not readily available elsewhere.

(10) REDUCING CLOSING AND DISBURSEMENT DELAYS.—The Administrator shall provide a clear and concise notification on all application materials for loans made under this subsection and on relevant websites notifying an applicant that the applicant may submit all documentation necessary for the approval of the loan at the time of application and that failure to submit all documentation could delay the approval and disbursement of the loan.

(11) INCREASING TRANSPARENCY IN LOAN APPROVALS.—The Administrator shall establish and implement clear, written policies and procedures for analyzing the ability of a loan applicant to repay a loan made under this subsection.

(12) ADDITIONAL AWARDS TO SMALL BUSINESS DEVELOPMENT CENTERS, WOMEN’S BUSINESS CENTERS, AND SCORE FOR DISASTER RECOVERY.—

(B) REQUIREMENTS.—The Administrator may only increase the amount of a loan under subparagraph (A) upon

receiving an appropriate certification from the borrower and person performing the mitigation attesting to the reasonableness of the mitigation costs and an assignment of any proceeds received from the person engaging in the malfeasance. No loan under this subsection, including renewals and extensions thereof, may be made for a period or periods exceeding thirty years: *Provided*, That the Administrator may consent to a suspension in the payment of principal and interest charges on, and to an extension in the maturity of, the Federal share of any loan under this subsection for a period not to exceed five years, if (A) the borrower under such loan is a homeowner or a small business concern, (B) the loan was made to enable (i) such homeowner to repair or replace his home, or (ii) such concern to repair or replace plant or equipment which was damaged or destroyed as the result of a disaster meeting the requirements of clause (A) or (B) of paragraph (2) of this subsection, and (C) the Administrator determines such action is necessary to avoid severe financial hardship: *Provided further*, That the provisions of paragraph (1) of subsection (d) of this section shall not be applicable to any such loan having a maturity in excess of twenty years. Notwithstanding any other provision of law, and except as provided in subsection (d), the interest rate on the Administration's share of any loan made under subsection (b), shall not exceed the average annual interest rate on all interest-bearing obligations of the United States then forming a part of the public debt as computed at the end of the fiscal year next preceding the date of the loan and adjusted to the nearest one-eighth of 1 per

centum plus one-quarter of 1 per centum: *Provided, however,* That the interest rate for loans made under paragraphs (1) and (2) hereof shall not exceed the rate of interest which is in effect at the time of the occurrence of the disaster. In agreements to participate in loans on a deferred basis under this subsection, such participation by the Administration shall not be in excess of 90 per centum of the balance of the loan outstanding at the time of disbursement. Notwithstanding any other provision of law, the interest rate on the Administration's share of any loan made pursuant to paragraph (1) of this subsection to repair or replace a primary residence and/or replace or repair damaged or destroyed personal property, less the amount of compensation by insurance or otherwise, with respect to a disaster occurring on or after July 1, 1976, and prior to October 1, 1978, shall be: 1 per centum on the amount of such loan not exceeding \$10,000, and 3 per centum on the amount of such loan over \$10,000 but not exceeding \$40,000. The interest rate on the Administration's share of the first \$250,000 of all other loans made pursuant to paragraph (1) of this subsection, with respect to a disaster occurring on or after July 1, 1976, and prior to October 1, 1978, shall be 3 per centum. All repayments of principal on the Administration's share of any loan made under the above provisions shall first be applied to reduce the principal sum of such loan which bears interest at the lower rates provided in this paragraph. The principal amount of any loan made pursuant to paragraph (1) in connection with a disaster which occurs on or after April 1, 1977, but prior to January 1, 1978, may be increased by such amount, but not more than \$2,000, as the Administration determines to be reasonable in light of the amount and nature of loss, damage, or injury sustained in order to finance the installation of insulation in the property which was lost, damaged, or injured, if the uninsured, damaged portion of the property is 10 per centum or more of the market value of the property at the time of the disaster. No later than June 1, 1978, the Administration shall prepare and transmit to the Select Committee on Small Business of the Senate, the Committee on Small Business of the House of Representatives, and the Committee of the Senate and House of Representatives having jurisdiction over measures relating to energy conservation, a report on its activities under this paragraph, including therein an evaluation of the effect of such activities on encouraging the installation of insulation in property which is repaired or replaced after a disaster which is subject to this paragraph, and its recommendations with respect to the continuation, modification, or termination of such activities.

In the administration of the disaster loan program under paragraphs (1) and (2) of this subsection, in the case of property loss or damage or injury resulting from a major disaster as determined by the President or a disaster as determined by the Administrator which occurs on or after January 1, 1971, and prior to July 1, 1973, the Small Business Administration, to the extent such loss or damage or injury is not compensated for by insurance or otherwise—

(A) may make any loan for repair, rehabilitation, or replacement of property damaged or destroyed without regard to whether the required financial assistance is otherwise available from private sources;

(B) may, in the case of the total destruction or substantial property damage of a home or business concern, refinance any mortgage or other liens outstanding against the destroyed or damaged property if such project is to be repaired, rehabilitated, or replaced, except that (1) in the case of a business concern, the amount refinanced shall not exceed the amount of the physical loss sustained, and (2) in the case of a home, the amount of each monthly payment of principal and interest on the loan after refinancing under this clause shall be not less than the amount of each such payment made prior to such refinancing;

(C) may, in the case of a loan made under clause (A) or a mortgage or other lien refinanced under clause (B) in connection with the destruction of, or substantial damage to, property owned and used as a residence by an individual who by reason of retirement, disability, or other similar circumstances relies for support on survivor, disability, or retirement benefits under a pension, insurance, or other program, consent to the suspension of the payments of the principal of that loan, mortgage, or lien during the lifetime of that individual and his spouse for so long as the Administration determines that making such payments would constitute a substantial hardship;

(D) shall, notwithstanding the provisions of any other law and upon presentation by the applicant of proof of loss or damage or injury and a bona fide estimate of cost of repair, rehabilitation, or replacement, cancel the principal of any loan made to cover a loss or damage or injury resulting from such disaster, except that—

(i) with respect to a loan made in connection with a disaster occurring on or after January 1, 1971 but prior to January 1, 1972, the total amount so canceled shall not exceed \$2,500, and the interest on the balance of the loan shall be at a rate of 3 per centum per annum; and

(ii) with respect to a loan made in connection with a disaster occurring on or after January 1, 1972 but prior to July 1, 1973, the total amount so canceled shall not exceed \$5,000, and the interest on the balance of the loan shall be at a rate of 1 per centum per annum.

With respect to any loan referred to in clause (D) which is outstanding on the date of enactment of this paragraph, the Administrator shall—

(i) make sure change in the interest rate on the balance of such loan as is required under that clause effective as of such date of enactment; and

(ii) in applying the limitation set forth in that clause with respect to the total amount of such loan which may be canceled, consider as part of the amount so canceled any part of such loan which was previously canceled pursuant to section 231 of the Disaster Relief Act of 1970.

Whoever wrongfully misapplies the proceeds of a loan obtained under this subsection shall be civilly liable to the Administrator in an amount equal to one-and-one-half times the original principal amount of the loan.

(E) A State grant made on or prior to July 1, 1979, shall not be considered compensation for the purpose of applying the

provisions of section 312(a) of the Disaster Relief and Emergency Assistance Act to a disaster loan under paragraph (1) (2) of this subsection.

The Administration may defer payments on the principal of such loans for a grace period and use such other methods as it deems necessary and appropriate to assure the successful establishment and operation of such concern. The Administration may, in its discretion, as a condition of such financial assistance, require that the borrower take steps to improve his management skills by participating in a management training program approved by the Administration: *Provided, however,* That any management training program so approved must be of sufficient scope and duration to provide reasonable opportunity for the individuals served to develop entrepreneurial and managerial self-sufficiency.

(2) The Administration shall encourage, as far as possible, the participation of the private business community in the program of assistance to such concerns, and shall seek to stimulate new private lending activities to such concerns through the use of the loan guarantees, participations in loans, and pooling arrangements authorized by this subsection.

(3) To insure an equitable distribution between urban and rural areas for loans between \$3,500 and \$100,000 made under this subsection, the Administration is authorized to use the agencies and agreements and delegations developed under title III of the Economic Opportunity Act of 1964, as amended, as it shall determine necessary.

The Administration shall define the meaning of low income as it applies to owners of small business concerns eligible to be assisted under this subsection.

(7) No financial assistance shall be extended pursuant to this subsection when the Administration determines that the assistance will be used in relocating establishments from one area to another if such relocation would result in an increase in unemployment in the area of original location.

(4) The Administration shall give preference to projects which promote the ownership, participation in ownership, or management of small businesses owned by low-income individuals and small businesses eligible to receive contracts pursuant to section 8(a) of this Act.

(5) The financial assistance authorized for projects under this subsection includes assistance advanced by grant, agreement, or contract.

(6) The Administration is authorized to make payments under grants and contracts entered into under this subsection in lump sum or installments, and in advance or by way of reimbursement, and in the case of grants, with necessary adjustments on account of overpayments or underpayments.

(9) The Administration shall take such steps as may be necessary and appropriate, in coordination and cooperation with the heads of other Federal departments and agencies, to insure that contracts, subcontracts, and deposits made by the Federal Government or with programs aided with Federal funds are placed in such way as to further the purposes of sections 7(i), 7(j), and 8(a) of this Act.

(10) There is established with the Administration a small business and capital ownership development program (hereinafter re-

ferred to as the “Program”) which shall provide assistance exclusively for small business concerns eligible to receive contracts pursuant to section 8(a) of this Act. (A) The Program shall—

(I) 9 years less the number of years since the award of its first contract pursuant to section 8(a); or

(II) its original fixed program participation term (plus any extension thereof) assigned prior to the effective date of this paragraph plus eighteen months.

(ii) Nothing contained in this subparagraph shall be deemed to prevent the Administration from instituting a termination or graduation pursuant to subparagraph (F) or (H) for issues unrelated to the expiration of any time period limitation.

(D)(i) Promptly after certification under paragraph (11) a Program Participant shall submit a business plan (hereinafter referred to as the plan") as described in clause (ii) of this subparagraph for review by the Business Opportunity Specialist assigned to assist such Program Participant. The plan may be a revision of a preliminary business plan submitted by the Program Participant or required by the Administration as a part of the application for certification under this section and shall be designed to result in the Program Participant eliminating the conditions or circumstances upon which the Administration determined eligibility pursuant to section 8(a)(6). Such plan, and subsequent modifications submitted under clause (iii) of this subparagraph, shall be approved by the business opportunity specialist prior to the Program Participant being eligible for award of a contract pursuant to section 8(a).

(ii) The plans submitted under this subparagraph shall include the following:

(I) An analysis of market potential, competitive environment, and other business analyses estimating the Program Participant's prospects for profitable operations during the term of program participation and after graduation.

(III) Specific targets, objectives, and goals, for the business development of the Program Participant during the next and succeeding years utilizing the results of the analyses conducted pursuant to subclauses (I) and (II).

(IV) A transition management plan outlining specific steps to assure profitable business operations after graduation (to be incorporated into the Program Participant's plan during the first year of the transitional stage of Program participation).

(V) Estimates of contract awards pursuant to section 8(a) and from other sources, which the Program Participant will require to meet the specific targets, objectives, and goals for the years covered by its plan. The estimates established shall be consistent with the provisions of subparagraph (I) and section 8(a).

(iii) Each Program Participant shall annually review its currently approved plan with its Business Opportunity Specialist and modify such plan as may be appropriate. Any modified plan shall be submitted to the Administration for approval. The currently approved plan shall be considered valid until such time as a modified plan is approved by the Business Opportunity Specialist. Annual re-

views pertaining to years in the transitional stage of program participation shall require, as appropriate, a written verification that such Program Participant has complied with the requirements of subparagraph (I) relating to attaining business activity from sources other than contracts awarded pursuant to section 8(a).

(iv) Each Program Participant shall annually forecast its needs for contract awards under section 8(a) for the next program year and the succeeding program year during the review of its business plan, conducted pursuant to clause (iii). Such forecast shall be known as the section 8(a) contract support level and shall be included in the Program Participant's business plan. Such forecast shall include—

(I) the aggregate dollar value of contract support to be sought on a noncompetitive basis under section 8(a), reflecting compliance with the requirements of subparagraph (I) relating to attaining business activity from sources other than contracts awarded pursuant to section 8(a),

(II) the types of contract opportunities being sought, identified by Standard Industrial Classification (SIC) Code or otherwise,

(III) an estimate of the dollar value of contract support to be sought on a competitive basis, and

(IV) such other information as may be requested by the Business Opportunity Specialist to provide effective business development assistance to the Program Participant.

(E) A small business concern participating in the program conducted under the authority of this paragraph and eligible for the award of contracts pursuant to section 8(a) shall be denied all such assistance if such concern—

(i) voluntarily elects not to continue participation;

(ii) completes the period of Program participation as prescribed by paragraph (15);

(iii) is terminated pursuant to a termination proceeding conducted in accordance with section 8(a)(9); or

(iv) is graduated pursuant to a graduation proceeding conducted in accordance with section 8(a)(9).

(F) For the purposes of section and 8(a), the terms “terminated” or “termination” means the total denial or suspension of assistance under this paragraph or under section 8(a) prior to the graduation of the participating small business concern or prior to the expiration of the maximum program participation in term. An action for termination shall be based upon good cause, including—

(i) the failure by such concern to maintain its eligibility for Program participation;

(ii) the failure of the concern to engage in business practices that will promote its competitiveness within a reasonable period of time as evidenced by, among other indicators, a pattern of unjustified delinquent performance or terminations for default with respect to contracts awarded under the authority of section 8(a);

(iii) a demonstrated pattern of failing to make required submissions or responses to the Administration in a timely manner;

(iv) the willful violation of any rule or regulation of the Administration pertaining to material issues;

(v) the debarment of the concern or its disadvantaged owners by any agency pursuant to subpart 9.4 of title 48, Code of Federal Regulations (or any successor regulation); or

(vi) the conviction of the disadvantaged owner or an officer of the concern for any offense indicating a lack of business integrity including any conviction for embezzlement, theft, forgery, bribery, falsification or violation of section 16. For purposes of this clause, no termination action shall be taken with respect to a disadvantaged owner solely because of the conviction of an officer of the concern (who is other than a disadvantaged owner) unless such owner conspired with, abetted, or otherwise knowingly acquiesced in the activity or omission that was the basis of such officer's conviction.

(G) The Director of the Division may initiate a termination proceeding by recommending such action to the Associate Administrator for Minority Small Business and Capital Ownership Development. Whenever the Associate Administrator, or a designee of such officer, determines such termination is appropriate, within 15 days after making such a determination the Program Participant shall be provided a written notice of intent to terminate, specifying the reasons for such action. No Program Participant shall be terminated from the Program pursuant to subparagraph (F) without first being afforded an opportunity for a hearing in accordance with section 8(a)(9).

(H) For the purposes of sections 7(j) and 8(a) the term "graduated" or "graduation" means that the Program Participant is recognized as successfully completing the program by substantially achieving the targets, objectives, and goals contained in the concern's business plan thereby demonstrating its ability to compete in the marketplace without assistance under this section or section 8(a).

(I)(i) During the developmental stage of its participation in the Program, a Program Participant shall take all reasonable efforts within its control to attain the targets contained in its business plan for contracts awarded other than pursuant to section 8(a) (hereinafter referred to as "business activity targets."). Such efforts shall be made a part of the business plan and shall be sufficient in scope and duration to satisfy the Administration that the Program Participant will engage a reasonable marketing strategy that will maximize its potential to achieve its business activity targets.

(ii) During the transitional stage of the Program a Program Participant shall be subject to regulations regarding business activity targets that are promulgated by the Administration pursuant to clause (iii);

(iii) The regulations referred to in clause (ii) shall:

(I) establish business activity targets applicable to Program Participants during the fifth year and each suc-

ceeding year of Program Participation; such targets, for such period of time, shall reflect a reasonably consistent increase in contracts awarded other than pursuant to section 8(a), expressed as a percentage of total sales; when promulgating business activity targets the Administration may establish modified targets for Program Participants that have participated in the Program for a period of longer than four years on the effective date of this subparagraph;

(II) require a Program Participant to attain its business activity targets;

(III) provide that, before the receipt of any contract to be awarded pursuant to section 8(a), the Program Participant (if it is in the transitional stage) must certify that it has complied with the regulations promulgated pursuant to subclause (II), or that it is in compliance with such remedial measures as may have been ordered pursuant to regulations issued under subclause (V);

(IV) require the Administration to review each Program Participant's performance regarding attainment of business activity targets during periodic reviews of such Participant's business plan; and

(V) authorize the Administration to take appropriate remedial measures with respect to a Program Participant that has failed to attain a required business activity target for the purpose of reducing such Participant's dependence on contracts awarded pursuant to section 8(a); such remedial actions may include, but are not limited to assisting the Program Participant to expand the dollar volume of its competitive business activity or limiting the dollar volume of contracts awarded to the Program Participant pursuant to section 8(a); except for actions that would constitute a termination, remedial measures taken pursuant to this subclause shall not be reviewable pursuant to section 8(a)(9).

(J)(i) The Administration shall conduct an evaluation of a Program Participant's eligibility for continued participation in the Program whenever it receives specific and credible information alleging that such Program Participant no longer meets the requirements for Program eligibility. Upon making a finding that a Program Participant is no longer eligible, the Administration shall initiate a termination proceeding in accordance with subparagraph (F). A Program Participant's eligibility for award of any contract under the authority of section 8(a) may be suspended pursuant to subpart 9.4 of title 48, Code of Federal Regulations (or any successor regulation).

(ii)(I) Except as authorized by subclauses (II) or (III), no award shall be made pursuant to section 8(a) to a concern other than a small business concern.

(II) In determining the size of a small business concern owned by a socially and economically disadvantaged Indian tribe (or a wholly owned business entity of such tribe), each firm's size shall be independently determined without regard to its affiliation with the tribe, any entity of the tribal government, or any other business enterprise owned by the tribe, un-

less the Administrator determines that one or more such tribally owned business concerns have obtained, or are likely to obtain, a substantial unfair competitive advantage within an industry category.

(III) Any joint venture established under the authority of section 602(b) of Public Law 100-656, the "Business Opportunity Development Reform Act of 1988", shall be eligible for award of a contract pursuant to section 8(a).

(11)(A) The Associate Administrator for Minority Small Business and Capital Ownership Development shall be responsible for coordinating and formulating policies relating to Federal assistance to small business concerns eligible for assistance under section 7(i) of this Act and small business concerns eligible to receive contracts pursuant to section 8(a) of this Act.

(B)(i) Except as provided in clause (iii), no individual who was determined pursuant to section 8(a) to be socially and economically disadvantaged before the effective date of this subparagraph shall be permitted to assert such disadvantage with respect to any other concern making application for certification after such effective date.

(ii) Except as provided in clause (iii), any individual upon whom eligibility is based pursuant to section 8(a)(4) shall be permitted to assert such eligibility for only one small business concern.

(II) the individuals responsible for the management and daily operations of the concern do not manage more than two Program Participants.

(C) No concern, previously eligible for the award of contracts pursuant to section 8(a), shall be subsequently recertified for program participation if its prior participation in the program was concluded for any of the reasons described in paragraph (10)(E).

(D) A concern eligible for the award of contracts pursuant to this subsection shall remain eligible for such contracts if there is a transfer of ownership and control (as defined pursuant to section 8(a)(4)) to individuals who are determined to be socially and economically disadvantaged pursuant to section 8(a). In the event of such a transfer, the concern, if not terminated or graduated, shall be eligible for a period of continued participation in the program not to exceed the time limitations prescribed in paragraph (15).

(E) There is established a Division of Program Certification and Eligibility (hereinafter referred to in this paragraph as the Division) that shall be made part of the Office of Minority Small Business and Capital Ownership Development. The Division shall be headed by a Director who shall report directly to the Associate Administrator for Minority Small Business and Capital Ownership Development. The Division shall establish field offices within such regional offices of the Administration as may be necessary to perform efficiently its functions and responsibilities.

(F) Subject to the provisions of section 8(a)(9), the functions and responsibility of the Division are to—

(i) receive, review and evaluate applications for certification pursuant to paragraphs (4), (5), (6) and (7) of section 8(a);

(iv) review and evaluate financial statements and other submissions from concerns participating in the program established by paragraph (10) to ascertain continued eligibility to receive subcontracts pursuant to section 8(a);

(v) make a request for the initiation of termination or graduation proceedings, as appropriate, to the Associate Administrator for Minority Small Business and Capital Ownership Development;

(vi) make recommendations to the Associate Administrator for Minority Small Business and Capital Ownership Development concerning protests from applicants that have been denied program admission;

(vii) decide protests regarding the status of a concern as a disadvantaged concern for purposes of any program or activity conducted under the authority of subsection (d) of section 8, or any other provision of Federal law that references such subsection for a definition of program eligibility; and

(viii) implement such policy directives as may be issued by the Associate Administrator for Minority Small Business and Capital Ownership Development pursuant to subparagraph (I) regarding, among other things, the geographic distribution of concerns to be admitted to the program and the industrial make-up of such concerns.

(G) An applicant shall not be denied admission into the program established by paragraph (10) due solely to a determination by the Division that specific contract opportunities are unavailable to assist in the development of such concern unless—

(i) the Government has not previously procured and is unlikely to procure the types of products or services offered by the concern; or

(ii) the purchases of such products or services by the Federal Government will not be in quantities sufficient to support the developmental needs of the applicant and other Program Participants providing the same or similar items or services.

The review shall ascertain the number of entrants, their geographic distribution and industrial classification. The Director shall

also estimate the expected growth of the Program during the next fiscal year and the number of additional Business Opportunity Specialists, if any, that will be needed to meet the anticipated demand for the Program. The findings and conclusions of the Director shall be reported to the Associate Administrator for Minority Small Business and Capital Ownership Development by September 30 of each year. Based on such report and such additional data as may be relevant, the Associate Administrator shall, by October 31 of each year, issue policy and program directives applicable to such fiscal year that—

(i) establish priorities for the solicitation of program applications from underrepresented regions and industry categories;

(ii) assign staffing levels and allocate other program resources as necessary to meet program needs; and

(iii) establish priorities in the processing and admission of new Program Participants as may be necessary to achieve an equitable geographic distribution of concerns and a distribution of concerns across all industry categories in proportions needed to increase significantly contract awards to small business concerns owned and controlled by socially and economically disadvantaged individuals. When considering such increase the Administration shall give due consideration to those industrial categories where Federal purchases have been substantial but where the participation rate of such concerns has been limited.

(12)(A) The Administration shall segment the Capital Ownership Development Program into two stages: a developmental stage; and a transitional stage.

(B) The developmental stage of program participation shall be designed to assist the concern in its effort to overcome its economic disadvantage by providing such assistance as may be necessary and appropriate to access its markets and to strengthen its financial and managerial skills.

(C) The transitional stage of program participation shall be designed to overcome, insofar as practicable, the remaining elements of economic disadvantage and to prepare such concern for graduation from the program.

(13) A Program Participant, if otherwise eligible, shall be qualified to receive the following assistance during the stages of program participation specified in paragraph 12:

No exemption shall be made pursuant to this subparagraph if the contract to which it pertains has an anticipated value in excess of \$10,000,000. This subparagraph shall cease to be effective on October 1, 1992.

(i) the Administration finds that such concern is unable to obtain the requisite bond or bonds from a surety and that no surety is willing to issue a bond subject to the guarantee provision of title IV of the Small Business Investment Act of 1958 (15 U.S.C. 692 et seq.);

(ii) the Administration and the agency providing the contracting opportunity have provided for the protection of persons furnishing materials or labor to the Program Participant by arranging for the direct disbursement of funds due to such persons by the procuring agency or through any bank the deposits of which are insured by the Federal Deposit Insurance Corporation; and

The Administration shall, in consultation with the Secretary of Labor, promulgate rules and regulations to implement this subparagraph that establish acceptable training and upgrading performance standards and provide for such monitoring or audit requirements as may be necessary to ensure the integrity of the training effort. No financial assistance shall be granted under the subparagraph unless the Administrator determines that—

(i) such concern has documented that it has first explored the use of existing cost-free or cost-subsidized training programs offered by public and private sector agencies working with programs of employment and training and economic development;

(ii) no more than five employees or potential employees of such concern are recipients of any benefits under this subparagraph at any one time;

(iii) no more than \$2,500 shall be made available for any one employee or potential employee;

(iv) the length of training or upgrading financed by this subparagraph shall be no less than one month nor more than six months;

(v) such concern has given adequate assurance it will employ the trainee or upgraded employee for at least six months after the training or upgrading financed by this subparagraph has been completed and each trainee or upgraded employee has provided a similar assurance to remain within the employ of such concern for such period; if such concern, trainee, or upgraded employee breaches this agreement, the Administration shall be entitled to and shall make diligent efforts to obtain from the violating party the repayment of all funds expended on behalf of the violating party, such repayment shall be made to the Administration together with such interest and costs of collection as may be reasonable; the violating party shall be barred from receiving any further assistance under this subparagraph;

Activities designed to effect such transfer shall be developed in cooperation with the heads of Federal agencies and shall include the transfer by grant, license, or sale of such technology or property to such a concern. (III) For any transfer of property under this clause to a small business concern, the terms and conditions shall be the same as a transfer to a Program Participant, except that the small business concern shall agree not to sell or transfer the property to any party other than the Federal Government during the covered period.

(IV) A small business concern that receives a transfer of property under this clause may not receive a transfer of property under clause (i) during the covered period.

(H) Joint ventures, leader-follower arrangements, and teaming agreements between the Program Participant and other Program Participants and other business concerns with respect to contracting opportunities for the research, development, full-scale engineering or production of major systems. SEC. 15.

(a) SMALL BUSINESS PROCUREMENTS.—

(1) IN GENERAL.—For purposes of this Act, small business concerns shall receive any award or contract if such award or contract is, in the determination of the Administrator and the contracting agency, in the interest of—

(A) maintaining or mobilizing the full productive capacity of the United States;

(B) war or national defense programs; or

(C) assuring that a fair proportion of the total purchases and contracts for goods and services of the Government in each industry category (as defined under paragraph (2)) are awarded to small business concerns.

(2) INDUSTRY CATEGORY DEFINED.—

(A) IN GENERAL.—In this subsection, the term “industry category” means a discrete group of similar goods and

services, as determined by the Administrator in accordance with the North American Industry Classification System codes used to establish small business size standards, except that the Administrator shall limit an industry category to a greater extent than provided under the North American Industry Classification System codes if the Administrator receives evidence indicating that further segmentation of the industry category is warranted—

- (i) due to special capital equipment needs;
- (ii) due to special labor requirements;
- (iii) due to special geographic requirements, except as provided in subparagraph (B);
- (iv) due to unique Federal buying patterns or requirements; or
- (v) to recognize a new industry.

(B) EXCEPTION FOR GEOGRAPHIC REQUIREMENTS.—The Administrator may not further segment an industry category based on geographic requirements unless—

- (i) the Government typically designates the geographic area where work for contracts for goods or services is to be performed;
- (ii) Government purchases comprise the major portion of the entire domestic market for such goods or services; and
- (iii) it is unreasonable to expect competition from business concerns located outside of the general geographic area due to the fixed location of facilities, high mobilization costs, or similar economic factors.

(3) DETERMINATIONS WITH RESPECT TO AWARDS OR CONTRACTS.—Determinations made pursuant to paragraph (1) may be made for individual awards or contracts, any part of an award or contract or task order, or for classes of awards or contracts or task orders.

(4) INCREASING PRIME CONTRACTING OPPORTUNITIES FOR SMALL BUSINESS CONCERNS.—

(A) DESCRIPTION OF COVERED PROPOSED PROCUREMENTS.—The requirements of this paragraph shall apply to a proposed procurement that includes in its statement of work goods or services currently being supplied or performed by a small business concern and, as determined by the Administrator—

- (i) is in a quantity or of an estimated dollar value which makes the participation of a small business concern as a prime contractor unlikely;
- (ii) in the case of a proposed procurement for construction, seeks to bundle or consolidate discrete construction projects; or
- (iii) is a solicitation that involves an unnecessary or unjustified bundling of contract requirements.

(B) NOTICE TO PROCUREMENT CENTER REPRESENTATIVES.—With respect to proposed procurements described in subparagraph (A), at least 30 days before issuing a solicitation and concurrent with other processing steps required before issuing the solicitation, the contracting agency shall provide a copy of the proposed procurement to the

procurement center representative of the contracting agency (as described in subsection (1)) along with a statement explaining—

(i) why the proposed procurement cannot be divided into reasonably small lots (not less than economic production runs) to permit offers on quantities less than the total requirement;

(ii) why delivery schedules cannot be established on a realistic basis that will encourage the participation of small business concerns in a manner consistent with the actual requirements of the Government;

(iii) why the proposed procurement cannot be offered to increase the likelihood of the participation of small business concerns;

(iv) in the case of a proposed procurement for construction, why the proposed procurement cannot be offered as separate discrete projects; or

(v) why the contracting agency has determined that the bundling of contract requirements is necessary and justified.

(C) ALTERNATIVES TO INCREASE PRIME CONTRACTING OPPORTUNITIES FOR SMALL BUSINESS CONCERNS.—If the procurement center representative believes that the proposed procurement will make the participation of small business concerns as prime contractors unlikely, the procurement center representative, within 15 days after receiving the statement described in subparagraph (B), shall recommend to the contracting agency alternative procurement methods for increasing prime contracting opportunities for small business concerns.

(D) FAILURE TO AGREE ON AN ALTERNATIVE PROCUREMENT METHOD.—If the procurement center representative and the contracting agency fail to agree on an alternative procurement method, the Administrator shall submit the matter to the head of the appropriate department or agency for a determination.

(5) CONTRACTS FOR SALE OF GOVERNMENT PROPERTY.—With respect to a contract for the sale of Government property, small business concerns shall receive any such contract if, in the determination of the Administrator and the disposal agency, the award of such contract is in the interest of assuring that a fair proportion of the total sales of Government property be made to small business concerns.

(6) SALE OF ELECTRICAL POWER OR OTHER PROPERTY.—Nothing in this subsection shall be construed to change any preferences or priorities established by law with respect to the sale of electrical power or other property by the Federal Government.

(7) COSTS EXCEEDING FAIR MARKET PRICE.—A contract may not be awarded under this subsection if the cost of the contract to the awarding agency exceeds a fair market price.

(b) With respect to any work to be performed the amount of which would exceed the maximum amount of any contract for which a surety may be guaranteed against loss under section 411 of the Small Business Investment Act of 1958 (15 U.S.C. 694(b)),

the contracting procurement agency shall, to the extent practicable, place contracts so as to allow more than one small business concern to perform such work.

(c)(1) As used in this subsection:

(A) The term "Committee" means the Committee for Purchase from the Blind and Other Severely Handicapped established under the first section of the Act entitled "An Act to create a Committee on Purchases of Blind-made Products, and for other purposes", approved June 25, 1938 (41 U.S.C. 46).

(B) The term "public or private organization for the handicapped" has the same meaning given such term in section 3(e).

(C) The term "handicapped individual" has the same meaning given such term in section 3(f).

(2)(A) During fiscal year 1995, public or private organizations for the handicapped shall be eligible to participate in programs authorized under this section in an aggregate amount not to exceed \$40,000,000.

(B) None of the amounts authorized for participation by subparagraph (A) may be placed on the procurement list maintained by the Committee pursuant to section 2 of the Act entitled "An Act to create a Committee on Purchases of Blind-made Products, and for other purposes", approved June 25, 1938 (41 U.S.C. 47).

(3) The Administrator shall monitor and evaluate such participation.

(4)(A) Not later than ten days after the announcement of a proposed award of a contract by an agency or department to a public or private organization for the handicapped, a for-profit small business concern that has experienced or is likely to experience severe economic injury as the result of the proposed award may file an appeal of the proposed award with the Administrator.

(B) If such a concern files an appeal of a proposed award under subparagraph (A) and the Administrator, after consultation with the Executive Director of the Committee, finds that the concern has experienced or is likely to experience severe economic injury as the result of the proposed award, not later than thirty days after the filing of the appeal, the Administration shall require each agency and department having procurement powers to take such action as may be appropriate to alleviate economic injury sustained or likely to be sustained by the concern.

(5) Each agency and department having procurement powers shall report to the Office of Federal Procurement Policy each time a contract subject to paragraph (2)(A) is entered into, and shall include in its report the amount of the next higher bid submitted by a for-profit small business concern. The Office of Federal Procurement Policy shall collect data reported under the preceding sentence through the Federal procurement data system and shall report to the Administration which shall notify all such agencies and departments when the maximum amount of awards authorized under paragraph (2)(A) has been made during any fiscal year.

(6) For the purpose of this subsection, a contract may be awarded only if at least 75 per centum of the direct labor performed on each item being produced under the contract in the sheltered workshop or performed in providing each type of service under the contract by the sheltered workshop is performed by handicapped individuals.

(7) Agencies awarding one or more contracts to such an organization pursuant to the provisions of this subsection may use multiyear contracts, if appropriate.

(d) For purposes of this section priority shall be given to the awarding of contracts and the placement of subcontracts to small business concerns which shall perform a substantial proportion of the production on those contracts and subcontracts within areas of concentrated unemployment or underemployment or within labor surplus areas. Notwithstanding any other provision of law, total labor surplus area set-asides pursuant to Defense Manpower Policy Number 4 (32A C.F.R. Chapter 1) or any successor policy shall be authorized if the Secretary or his designee specifically determines that there is a reasonable expectation that offers will be obtained from a sufficient number of eligible concerns so that awards will be made at reasonable prices. As soon as practicable and to the extent possible, in determining labor surplus areas, consideration shall be given to those persons who would be available for employment were suitable employment available. Until such definition reflects such number, the present criteria of such policy shall govern.

(e) PROCUREMENT STRATEGIES; CONTRACT BUNDLING.—

(1) IN GENERAL.—To the maximum extent practicable, procurement strategies used by a Federal department or agency having contracting authority shall facilitate the maximum participation of small business concerns as prime contractors, subcontractors, and suppliers, and each such Federal department or agency shall—

(A) provide opportunities for the participation of small business concerns during acquisition planning processes and in acquisition plans; and

(B) invite the participation of the appropriate Director of Small and Disadvantaged Business Utilization in acquisition planning processes and provide that Director access to acquisition plans.

(2) MARKET RESEARCH.—

(A) IN GENERAL.—Before proceeding with an acquisition strategy that could lead to a contract containing consolidated procurement requirements, the head of an agency shall conduct market research to determine whether consolidation of the requirements is necessary and justified.

(B) FACTORS.—For purposes of subparagraph (A), consolidation of the requirements may be determined as being necessary and justified if, as compared to the benefits that would be derived from contracting to meet those requirements if not consolidated, the Federal Government would derive from the consolidation measurably substantial benefits, including any combination of benefits that, in combination, are measurably substantial. Benefits described in the preceding sentence may include the following:

- (i) Cost savings.
- (ii) Quality improvements.
- (iii) Reduction in acquisition cycle times.
- (iv) Better terms and conditions.
- (v) Any other benefits.

(C) REDUCTION OF COSTS NOT DETERMINATIVE.—The reduction of administrative or personnel costs alone shall not

be a justification for bundling of contract requirements unless the cost savings are expected to be substantial in relation to the dollar value of the procurement requirements to be consolidated.

(3) STRATEGY SPECIFICATIONS.—If the head of a contracting agency determines that an acquisition plan for a procurement involves a substantial bundling of contract requirements, the head of a contracting agency shall publish a notice on a public website that such determination has been made not later than 7 days after making such determination. Any solicitation for a procurement related to the acquisition plan may not be published earlier than 7 days after such notice is published. Along with the publication of the solicitation, the head of a contracting agency shall publish a justification for the determination, which shall include the following information:

(A) The specific benefits anticipated to be derived from the bundling of contract requirements and a determination that such benefits justify the bundling.

(B) An identification of any alternative contracting approaches that would involve a lesser degree of bundling of contract requirements.

(C) An assessment of—

(i) the specific impediments to participation by small business concerns as prime contractors that result from the bundling of contract requirements; and

(ii) the specific actions designed to maximize participation of small business concerns as subcontractors (including suppliers) at various tiers under the contract or contracts that are awarded to meet the requirements.

(4) CONTRACT TEAMING.—

(A) IN GENERAL.—In the case of a solicitation of offers for a bundled or consolidated contract that is issued by the head of an agency, a small business concern that provides for use of a particular team of subcontractors or a joint venture of small business concerns may submit an offer for the performance of the contract.

(B) EVALUATION OF OFFERS.—The head of the agency shall evaluate an offer described in subparagraph (A) in the same manner as other offers, with due consideration to the capabilities of all of the proposed subcontractors or members of the joint venture as follows:

(i) TEAMS.—When evaluating an offer of a small business prime contractor that includes a proposed team of small business subcontractors, the head of the agency shall consider the capabilities and past performance of each first tier subcontractor that is part of the team as the capabilities and past performance of the small business prime contractor.

(ii) JOINT VENTURES.—When evaluating an offer of a joint venture of small business concerns, if the joint venture does not demonstrate sufficient capabilities or past performance to be considered for award of a contract opportunity, the head of the agency shall consider the capabilities and past performance of each

member of the joint venture as the capabilities and past performance of the joint venture.

(C) STATUS AS A SMALL BUSINESS CONCERN.—Participation of a small business concern in a team or a joint venture under this paragraph shall not affect the status of that concern as a small business concern for any other purpose.

(f) CONTRACTING PREFERENCE FOR SMALL BUSINESS CONCERNS IN A MAJOR DISASTER AREA.—

(1) DEFINITION.—In this subsection, the term “disaster area” means the area for which the President has declared a major disaster, during the period of the declaration.

(2) CONTRACTING PREFERENCE.—An agency shall provide a contracting preference for a small business concern located in a disaster area if the small business concern will perform the work required under the contract in the disaster area.

(3) CREDIT FOR MEETING CONTRACTING GOALS.—If an agency awards a contract to a small business concern under the circumstances described in paragraph (2), the value of the contract shall be doubled for purposes of determining compliance with the goals for procurement contracts under subsection (g)(1)(A).

(g)

(1) GOVERNMENTWIDE GOALS.—

(A) ESTABLISHMENT.—The President shall annually establish Governmentwide goals for procurement contracts awarded to small business concerns, small business concerns owned and controlled by service-disabled veterans, qualified HUBZone small business concerns, small business concerns owned and controlled by socially and economically disadvantaged individuals, and small business concerns owned and controlled by women in accordance with the following:

(i) The Governmentwide goal for participation by small business concerns shall be established at not less than 23 percent of the total value of all prime contract awards for each fiscal year. In meeting this goal, the Government shall ensure the participation of small business concerns from a wide variety of industries and from a broad spectrum of small business concerns within each industry.

(ii) The Governmentwide goal for participation by small business concerns owned and controlled by service-disabled veterans shall be established at not less than 3 percent of the total value of all prime contract and subcontract awards for each fiscal year.

(iii) The Governmentwide goal for participation by qualified HUBZone small business concerns shall be established at not less than 3 percent of the total value of all prime contract and subcontract awards for each fiscal year.

(iv) The Governmentwide goal for participation by small business concerns owned and controlled by socially and economically disadvantaged individuals shall be established at not less than 5 percent of the

total value of all prime contract and subcontract awards for each fiscal year.

(v) The Governmentwide goal for participation by small business concerns owned and controlled by women shall be established at not less than 5 percent of the total value of all prime contract and subcontract awards for each fiscal year.

(B) ACHIEVEMENT OF GOVERNMENTWIDE GOALS.—Each agency shall have an annual goal that presents, for that agency, the maximum practicable opportunity for small business concerns, small business concerns owned and controlled by service-disabled veterans, qualified HUBZone small business concerns, small business concerns owned and controlled by socially and economically disadvantaged individuals, and small business concerns owned and controlled by women to participate in the performance of contracts let by such agency. The Small Business Administration and the Administrator for Federal Procurement Policy shall, when exercising their authority pursuant to paragraph (2), insure that the cumulative annual prime contract goals for all agencies meet or exceed the annual Governmentwide prime contract goal established by the President pursuant to this paragraph.

(2)(A) The head of each Federal agency shall, after consultation with the Administration, establish goals for the participation by small business concerns, by small business concerns owned and controlled by service-disabled veterans, by qualified HUBZone small business concerns, by small business concerns owned and controlled by socially and economically disadvantaged individuals, and by small business concerns owned and controlled by women in procurement contracts of such agency. Such goals shall separately address prime contract awards and subcontract awards for each category of small business covered.
